

Facility Billing Guide

American Health Advantage of Utah (the “Health Plan”) provides this information as a guide for your billing staff and departments in submitting claims for services provided to Health Plan members. This will include information on filing claims both for capitated services, as well as for your fee-for-service claims for services. All claims will be processed according to CMS guidelines, the American Health Advantage of Utah member’s benefits, and your provider contractual provisions.

Guidelines for the following types of claims are included in this guide.

- Part A Skilled Services
 Post-acute Skill (SNF) and Skill-in-Place (SIP)
- Part B Therapy
- Immunization/Vaccine Services
- Supplemental Benefits
 In-Home/Out-of-Home Support Service
 Routine Transportation
